

**Notice to Investors**

**Mexico City, March 01, 2023 – BRASKEM IDESA S.A.P.I (SGX:BAKIDE)**

Following our market announcement on June 14, 2022, Braskem Idesa (“BI”) hereby informs that all conditions have been met for the closing of its investment agreement with Advario B.V. (“Advario”) for the development and operation of the Terminal Química Puerto México (“TQPM”), the entity responsible for the project development and operation of the ethane import terminal.

Upon the conclusion of this agreement, Advario made a US\$ 56 MM retroactive payment to Braskem Idesa for its equity contribution equivalent to a 50% stake in TQPM.

TQPM’s ethane import terminal will have the capacity to deliver up to 80,000 barrels per day of ethane, providing conditions for Braskem Idesa to operate at full capacity.

Advario’s focus on safe, efficient, and reliable services in constructing and operating import terminals will add significant value to the execution of this world-class project.

Braskem Idesa reinforces its commitment to Mexico and the petrochemical industry.
