

NOTICE TO INVESTORS

Mexico City, February 26, 2020 – BRASKEM IDESA S.A.P.I (SGX: BAKIDE), hereby informs to its Investors that our Ethane Supply Agreement (“Ethane Contract”) entered by Braskem Idesa and Pemex Transformación Industrial (“Pemex TRI”) remains in full force and effect between the parties in all of its terms and conditions. The Ethane Contract is key for the contractual structure of the financing of Braskem Idesa.

We also inform that Braskem Idesa has not received, as of the date hereof, the credit note in the amount of approximately US\$ 26 million that should have been issued by Pemex TRI, as liquidated damages for the supply of ethane at a volume below than that established in the Ethane Contract.

Braskem Idesa has been working towards a constructive dialogue with Pemex in order to remediate the later, while reserving its rights under the Ethane Contract and, if necessary, take the appropriate contractual legal measures.
