About Braskem Idesa

Created in 2010, Braskem Idesa is a partnership involving Braskem, the largest producer of thermoplastic resins and leader in the Americas and Grupo Idesa, a leading Mexican corporate group. Together, the companies lead the Braskem Idesa complex (formerly known as the "Ethylene XXI" project), which focuses on the development and implementation of a petrochemical complex for the production of polyethylene in Nanchital de Lázaro Cárdenas, in the state of Veracruz.
